ABOUT - SURYA ENGINEERING COLLEGE

SURYA ENGINEERING COLLEGE was established in 2008. It has been located at vikiravandi, in Villupuram District .This institution blooms at rapid pace as a preferred destination for holistic Engineering Education in Tamilnadu. The chairman is supported by a visionary management board, technocrats and eminent scholars to create an institution that is on par with the top institutions in the country.

The institution has highly qualified professors, smart class rooms, modern laboratories and state-of-the-art infrastructure and facilities. Besides imparting the quality education to the rural students, the college has been a platform for the sports students. The institution has been set up with Turf cricket ground, indoor stadium, basketball court, and Tennis court. These facilities lead the students to face the cut-throat competition in all aspects.

The institution provides education in the field of Engineering, Management studies, Pharmacy and Architecture. Eminent professors, experts from industries and management consultant are invited to deliver guest lectures, seminars and workshops are arranged regularly. To get the students exposed to the changing scenario a number of programmes are conducted.

ABOUT VEI TECHNOLOGIES

VeI technologies provide a broad range of IT consulting, web applications and outsourcing services through an optimized technique. It focuses on delivering business solution by modernizing, consolidating the critical applications that support our clients business processes. We serve industry leaders as they need to improve their customers experience, expand market reach, and improve time to market and lower costs. Through optimized global delivery model. We have highly professional and dedicated workers. They ensure timely completion of our projects.

ABOUT CONFERENCE

SGI is conducting first of its kind conference such that all the major trendy research areas will be discussed on single platform with uniqueness depends on the importance of its stage wise research progress.
